The Contractor shall protect, indemnify, defend and save harmless the County and its officers, agents and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Contractor's failure to pay any such compensation, wages, benefits or taxes; and/or (2) the supplying to the Contractor of work, services, materials, and/or supplies by Contractor employees or other suppliers in connection with or in support of the performance of this Contract.

- B. The Contractor further agrees that it is financially responsible for and will repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional act and/or failure for any reason to comply with the terms of this Contract by the Contractor, its officers, employees, agents, and/or representatives. 3-11 TERMINATION

A. Termination for Convenience

The County for its convenience may terminate this contract, in whole or in part, at any time by written notice sent certified mail, return receipt requested, to the Successful Awardee. After receipt of a Notice of Termination, and except as directed by the contract administrator, the Successful Awardee shall immediately stop work as directed in the Notice, and comply with all other requirements in the Notice. The Successful Awardee shall promptly submit its request for the termination payment, together with detailed supporting documentation. If the Successful Awardee has any property in its possession belonging to the County, the Successful Awardee will account for the same and dispose of it in the manner the County directs.

B. Termination for Default

Termination shall be effected by serving a Notice of Termination by certified mail (return receipt requested) on the Successful Awardee setting forth the manner in which the Successful Awardee is in default and the effective date of termination; provided that the Successful Awardee shall have ten (10) calendar days to cure the default. The Successful Awardee will only be paid for goods delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract less any damages to the County caused by such default.

The termination of this contract shall in no way relieve the Successful Awardee from any of its obligations under this contract nor limit the rights and remedies of the County hereunder in any manner.

C. Termination for Non-Appropriation

This contract may be canceled at the end of the then current fiscal period for non-appropriation of funds by the King County Council. Such cancellation shall be upon thirty (30) days written notice to the Successful Awardee. King County's fiscal period ends December 31 of each year. If the contract is terminated as provided in this subsection:

The County will be liable only for payment in accordance with the terms of this contract for services rendered prior to the effective date of termination; and

The Successful Awardee shall be released from any obligation to provide further services pursuant to the contract as are affected by the termination.

Funding under this contract beyond the current appropriation is conditional upon the appropriation by the County Council of sufficient funds to support the activities described in this contract. Should such an appropriation not be approved, the contract will terminate at the close of the current appropriation year.

KING COUNTY CONTRACTING OPPORTUNITIES PROGRAM
FOR GOODS AND SERVICES CONTRACTS

The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one-year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses through the use of a five percent (5%) incentive factor in the award of King County contracts for the purchase of goods and services.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is based on a dollar ceiling for standard business classifications that is set at fifty percent (50%) of the Federal Small Business Administration (SBA) and Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by contacting the BDCC office at 206-205-0700.

Application of the 5% Incentive Factor and Contract Award:

1. This contract will be awarded to the lowest responsive, responsible offeror; provided, however, that if the bid price of a responsive, responsible SEDB is within five percent (5%) of the bid price of the lowest responsive, responsible offeror, and that offeror is not a SEDB, then the contract shall be awarded to the low SEDB offeror.
2. All certified SEDB offerors must complete the information in the section for Offeror Identification as described in the front page of this Invitation To Bid and the certification information below.
3. (___) Check if firm submitting Bid is a Small Economically Disadvantaged Business Enterprise certified by King County that will perform the entire contract unassisted.
